## The Structure of Preserved

The organization of Preserved is intentionally designed to offer a logical flow that directs the reader through each topic in a methodical manner. It starts with an introduction of the main focus, followed by a step-by-step guide of the core concepts. Each chapter or section is organized into manageable segments, making it easy to understand the information. The manual also includes illustrations and cases that clarify the content and enhance the user's understanding. The index at the top of the manual gives individuals to swiftly access specific topics or solutions. This structure ensures that users can consult the manual when needed, without feeling lost.
