Critique and Limitations of End Of The Affair

While End Of The Affair provides valuable insights, it is not without its weaknesses. One of the primary limitations noted in the paper is the limited scope of the research, which may affect the generalizability of the

findings. Additionally, certain assumptions may have influenced the results, which the authors acknowledge and discuss within the context of their research. The paper also notes that further studies are needed to address these limitations and investigate the findings in larger populations. These critiques are valuable for understanding the framework of the research and can guide future work in the field. Despite these limitations, End Of The Affair remains a significant contribution to the area.
