Critique and Limitations of Moodle Fed Uni

While Moodle Fed Uni provides important insights, it is not without its weaknesses. One of the primary constraints noted in the paper is the narrow focus of the research, which may affect the universality of the

findings. Additionally, certain biases may have influenced the results, which the authors acknowledge and discuss within the context of their research. The paper also notes that more extensive research are needed to address these limitations and explore the findings in larger populations. These critiques are valuable for understanding the framework of the research and can guide future work in the field. Despite these limitations, Moodle Fed Uni remains a significant contribution to the area.
