This thorough guide serves as your individual user manual, unpacking the attributes of the set and providing you with step-by-step guidance for achieving stunning results.

Unboxing and Familiarization:

Upon receiving your Ebench set, take a moment to appreciate its sophisticated look. The box usually includes a range of utensils, created to cater all your nail care requirements. These typically include:

- Various nail files (both coarse and fine grit) for shaping and smoothing. Think of these as your shaping instruments for fashioning the perfect nail contour.
- Cuticle pushers and nippers for gentle cuticle removal. These are precise instruments requiring careful handling to avoid injury.
- Nail clippers for precise nail clipping. Similar to scissors, but specially for nails.
- Toe separators to ensure even application of polish and convenient process. These help maintain spacing and prevent smudging.
- Various buffers for buffing and smoothing the nail area. These are like mini sanding blocks for achieving a lustrous finish.
- A array of accessories like dividers, brushes for cleaning, and perhaps even a miniature dish for soaking your nails.

Step-by-Step Manicure and Pedicure Guide:

Before you start, gather all your required supplies. This includes your Ebench set, enamel of your preference, remover, cotton, and moisturizer.

1. **Preparation:** Submerge your hands or feet in tepid water for some minutes to hydrate your skin. This step is essential for easier cuticle treatment.
2. **Cuticle Care:** Gently move back your cuticles using the cuticle pusher. Avoid trimming your cuticles, as this can lead to infection.
3. **Nail Shaping:** Use the nail file to mold your toenails to your preferred length and shape. File in one direction to prevent breaking.
4. **Buffing:** Gently shine your nails using the nail buffer to level the plate and create a polished underlayer for varnish.
5. **Nail Polish Distribution:** Apply a undercoat to protect your nails and improve the life of your varnish. Then, apply two thin coats of your chosen color, allowing each coat to harden completely. Finish with a sealant for added shielding and gloss.
6. **Moisturization:** Apply cuticle oil to hydrate your cuticles and nearby skin.

Advanced Techniques and Tips:

- Invest in a high-quality undercoat and top coat to enhance the durability of your pedicure.
- Use a delicate hand when smoothing your nails to forestall damage.
- Keep your tools sterile to prevent the spread of germs.
- Experiment with different nail polish colors and designs to express your personal style.
