## Critique and Limitations of Gabriel

While Gabriel provides useful insights, it is not without its limitations. One of the primary limitations noted in the paper is the narrow focus of the research, which may affect the generalizability of the findings. Additionally, certain variables may have influenced the results, which the authors acknowledge and discuss within the context of their research. The paper also notes that more extensive research are needed to address these limitations and explore the findings in broader settings. These critiques are valuable for understanding the limitations of the research and can guide future work in the field. Despite these limitations, Gabriel remains a significant contribution to the area.
