# Accenture Cognitive Assessment

**Recommendations from Accenture Cognitive Assessment**

Based on the findings, Accenture Cognitive Assessment offers several proposals for future research and practical application. The authors recommend that additional research explore new aspects of the subject to validate the findings presented. They also suggest that professionals in the field implement the insights from the paper to optimize current practices or address unresolved challenges. For instance, they recommend focusing on factor B in future studies to gain deeper insights. Additionally, the authors propose that policymakers consider these findings when developing new guidelines to improve outcomes in the area.
